

They give support every day. Let's give them ours.

Dear friend of Elm Crest,

When you or a loved one come to Elm Crest you experience the care, compassion and support of the many staff members that make a difference in the lives of residents and families. Their commitment to providing quality care to residents truly makes Elm Crest and all American Baptist Homes of the Midwest (ABHM) communities unique.

To help these dedicated individuals continue their education, Elm Crest and parent company ABHM created the Kleinpaste Scholarship Fund. This fund, established in 2013 with a generous donation from Kleinpaste family of Harlan, IA, and maintained through donations, provides financial support to ABHM staff members as they seek to further their education in the field of nursing.

A staff member who recently received a scholarship shared these sentiments:

“When I started working in healthcare I never thought I would be where I am today. The residents are like family and I have built bonds with many of them and learned so much from them while working here.

I cannot put into words how truly honored I am to have been the recipient of this wonderful scholarship. I appreciate everything that has been done for me and will continue to learn and grow.

Thank you a million times over for the opportunity to pursue my goals and dreams. Thank you for believing in me. You have no idea how much this scholarship helps me. ”
